

11 August 2010

Mr. Worthington,

On behalf of the Commanding Officer and the members of Helicopter Train Squadron EIGHT, I would like to thank you and the Seawolf Association for the battle flag, the coin and the Seawolf sticker. The gifts were definitely unnecessary, but they will hang in honor in our Instructor Ready Room.

The friendship and generosity you and your squadron mates have shown us has been amazing and it has really connected the men and women of this squadron to an important part of their rotary wing heritage.

So it is with great appreciation that we accept the flag and it will hang in HT-8 for years to come.

Fly Navy,

H. E. SHOLLEY
